Author in school

Next week we have arranged for an author to visit the school. Richard O'Neil will be working with all classes across the school. The children will have the great experience of working with Richard and finding out about the books he has written.

This is a great opportunity for the children and builds on our focus of reading across the school. We will add lots of photos of the day to our social media pages.

The week of the 15th November starts the beginning of Anti Bullying week. The school will focus on lots of issues with the children and solutions for making our school the best that it can be .

The focus of the week is to spread kindness, We will launch the week with Odd Socks Day! All we ask is that the children come to school in odd socks on Monday 15th November. I have attached a flier with the newsletter that will give you more information on the focus.

We will send a reminder at the end of next week.

Thank you!

Thank you to all of our families who donated to our CAFOD appeal and our Harvest collection. We will be sending the donations to Rochdale food bank and we really appreciate your generosity at this time.

Reminder!

Breakfast Club is still open to all families from 8:00am. Breakfast club is free. Last entry to breakfast club is 8:30am.

Congratulations to all the children who have made the 100% attendance trip. We are currently in the process of organising the visits. EYFS and KS1 will be visiting a local play area. KS2 will be going on a trip to the local cinema. We will send further information to parents with dates and times once this has been agreed.

The counter starts again this half term and there will be another attendance reward for 100% attendance this half term too.
