## Start and End of the day times

We no longer have the staggered start and end times to the school day. The school gate opens at 8:45am for all classes and closes at 9:00am.

The children complete their start of the day activities between 8:45 and 9:00, so it is beneficial to your child's learning if they are in school by 8:50am.

This will also help the children to be ready to start their learning at 9:00am.

School finishes for all children at 3:15pm, and it has been a great start to all children being picked up on time. This really does help when school have staff meetings at the end of the school day and we thank you for your prompt picking up at the end of the day.

We have sent letters home to inform parents of our school breakfast club. We still have places available at the moment. Breakfast club starts at 8:00am and the last entry is 8:25am. The breakfast club is free of charge. The children will have a choice of breakfast items to choose from.

If you would like a place at breakfast club, please contact the school office. We do need to monitor numbers as we have a responsibility on staffing ratios. Please do not turn up for breakfast club if this has not been previously agreed by the school.

## Covid

Please remember that although many restrictions have been lifted we still want to ensure that we keep all members of our community safe.

With this in mind can you please make sure that you report any positive cases within your household. In addition if you feel that your child has Covid symptoms, please do not send them into school and arrange for them to have a PCR test.

We thank you for your co-operation on this.

The children will have their reading book sent home this week. To support us in our reading drive, can you please make sure your child has their book in school every day. Mrs Pearson will be contacting parents with further reading information soon.

Times Table Rockstars Leader board will return next week.

Please encourage your child to engage with Times Table Rockstars and Numbots as part of their homework. Having a good knowledge of Times Table facts helps your child to have a good grasp of many other mathematical concepts.

### Attendance

This term we are really focussing on the children's attendance at school. In the past we have had rewards for children who have 100% attendance and punctuality at school.

We are going to reinstate our trip rewards for those children who attend school every day and are on time, for the half term. The children are very excited for this to be brought back and we want this to be an incentive to attend school every day.

<b>Year 1</b>	Mulan and Lillie
<b>Year 2</b>	Lucien and Lottie
<b>Year 3</b>	Nancy and Luca
<b>Year 4</b>	James L and Kai
<b>Year 5</b>	Logan and Saisha
<b>Year 6</b>	Ellis and Lily Rose
